

Statutory Review of Polling Districts and Polling Places – 2024 – Acting Returning Officer Comments

Local authorities are required to review their polling districts and polling places at least once every five years. The review must start and finish between 1 October 2023 and 31 January 2025.

This document provides details of the review, along with the initial recommendations and comments of the Acting Returning Officer (ARO). The ARO must decide how many polling places are required and must allocate electors to the polling stations in such manner as they think most convenient.

The Council welcomes comments from all residents, stakeholders, and any interested parties. We shall be seeking representations from local disability groups on the accessibility and suitability of polling places. Comments must be given **by Monday 11 November 2024** and can be submitted via the following channels:

Definition of Terms

UK Parliamentary constituency

A geographical area that is represented by a Member of Parliament (MP) in the House of Commons.

Polling districts

A Polling district is a geographical area created by the subdivision of a UK Parliamentary constituency. In England, each parish or parish ward is to be a separate polling district.

Polling places

A polling place is the building or area in which polling station will be selected by the (Acting) Returning Officer (the official in each constituency who conducts an election).

Polling station

A polling station is the room or area within the polling place where voting takes place. Unlike polling districts which are fixed by the local authority, polling stations are chosen by the relevant Returning Officer for the election.

Local Government Boundary Commission England (LGBCE)

Review the electoral and boundary arrangements of councils. Consulting with local people and organisations to produce proposals and then recommendations for change. The LGBCE review councils to make sure their patterns of internal wards or electoral divisions are fair and sensible.

Statutory Review of Polling Districts and Polling Places (Acting) Returning Officer Comments
